## ARSENAL V DYNAMO KYIV

Dynamo Kyiv's disappointing result against Arsenal did nothing to dampen the spirits of around 800 Ukrainian fans who travelled to the Emirates Stadium. Despite holding out for 87 minutes, Nicklas Bendtner's goal gave the Gunners a 1-0 victory which means Kyiv are out of the Champion's League.

Over 400 members of the UK Ukrainian Supporters Club attended the match. The club arranged tickets, organised pre-match venues for fans to gather and coordinated with the Dynamo fan club in Kyiv who brought with them 300 flags to give out to supporters.

Supporter's Club Chairperson Martyn Chymera said 'we are delighted with the turnout, everyone is in good spirits and obviously enjoying themselves'. The Dynamo players obvious noticed this too as they applauded the fans after the game and threw their shirts into the crowd. Even the Arsenal fans had praise for the Ukrainian supporters. Outside the stadium one commentated that it was 'about time someone brought an atmosphere to the Emirates Stadium'.

## OFFICIAL EMBLEM OF THE SUPPORTERS GROUP:

The below image will be the official emblem to be used by the UK Ukrainian Supporters Club for all promotional material.

The committee would like to thank Slavko Mykowski for designing the logo.
